PRESIDENT'S MESSAGE

Volunteer Leaders Needed

We need volunteers to help our club thrive. If you have any interest in helping to shape the future of The Cascades Camera Club, please contact a board member. We need a volunteer to serve as **Multi-Media Committee Members**. It has become obvious that it is unreasonable to expect one member to be responsible for the projection equipment for every meeting. We all owe a big thank you to Ralph for shouldering that responsibility for all those years.

Going forward we would like to create a team of members who will share responsibility for collecting critique images, sending them to the critic and setting up the equipment for the critique and program nights. To facilitate this, I have confirmed that we can store our projector and screen onsite at the Elks Club. Chris Bales will continue to chair the Multi-Media Committee and take care of the website duties. **We need 3-4 members to volunteer for this committee. On average we meet 20-22 times a year (depending on Monday holidays). If we have a total of 5 committee members (Chris + 4 others) each would be responsible for 4-5 meetings per year.**

If no one is willing to help we will have to scale back or discontinue some critiques / program nights. If you are willing to help with this important process please contact any board member.

JANUARY 19TH PROGRAM MEMBER PARTICIPATION

The Cascade Camera Club program night on Monday, January 19, will be a member participation night about Photographic Philosophy, with members expressing and illustrating their photographic philosophy, passions, and inspirations in a 5-minute presentation. Skill and experience level are unimportant. By sharing photos and photography intentions, we hope to get to know each other better and to establish another time point for appreciating each other's evolution and growth as photographers.

Submission instructions will be forthcoming.

GUARDIANS OF LIFE

Presented by Central Oregon LandWatch

Thursday, December 4 at 3:00 PM & 7:00 PM

How have the world's most iconic natural wonders—the Pacific's coral reefs, the Amazon rainforest, the Arctic tundra—remained so vibrant?

They have flourished under the careful guidance of Indigenous peoples for thousands of years. Guardians of Life reveals why these communities are the planet's most effective conservationists.

Join National Geographic photographer Kiliii Yüyan on a breathtaking visual journey around the world and close to home—from Mongolia's sacred mountains to Australia's fire-managed woodlands to salmon returning to a free-flowing Klamath River. Guardians of Life celebrates the power of Indigenous values, traditional ecological knowledge, and modern innovation in protecting the life that sustains our planet.

These events provide the finale for Central Oregon LandWatch's 2025 Livable Future Forum. Your ticket purchase will count toward their year-end challenge fundraiser and be matched!

**Tickets: \$30 General Admission, \$15 Student
(plus \$8 Historic Preservation fee)**

**Box Office Hours: Monday, Tuesday, Friday from 11:00 AM to 4:00 PM
& Wednesday, Thursday from 10:00 AM to 2:30 PM**

DECEMBER 8TH HOLIDAY PARTY

ELKS CLUB

5:30PM to 9PM

Social hour: 5:30pm - 6:30pm with a no-host bar

Dinner starts at 6:30pm
